

Keep Your Tax Dollars in the Tucson Community

Married couples can donate up to \$400, and single people can donate up to \$200 to support Carden of Tucson.

Arizona Tax Law (ARS 43-1089.01) allows taxpayers to make a donation to support local schools. Proposition 301 increased the maximum contribution amount to \$400. Carden needs your support to assist us in subsidizing field trips and other student activities. Tax Credits help provide materials for music and other programs.

Your Tax Credit dollars enable us to complete many extra curricular projects. Thank you for your support!

Local School - Local Support

You do not need to have a child at Carden to support our efforts. Please tell grandparents, aunts, uncles, neighbors and work associates about this great opportunity to directly support our school

with their donations. Keep your tax dollars in our own community and support our children. 100% of all Tax Credit

monies stay at Carden and are used for Carden Students.

How the Arizona Tax Credit Works

Contributions to Carden are always tax deductible. A Tax Credit allows you to subtract the amount of your contribution from the amount you owe to the State of Arizona on your income tax form— up to \$400 for a married couple & \$200 for a single person. A Tax Credit is a full refund of your money. Donations must be received at the school by December 31, 2016. Please remember that the office will be closed after December 20, 2016.

Extra Curricular Activities

Our teachers have planned many fun and exciting field trips this year!

Tax credit funds provide the necessary money

for trips, as well as for the costs of special programs such

as the Annual Constitution Program, Dance Festival, Christmas Program and Washington D.C Trip.

Contributions can be made at any time during the year. We accept any amount and multiple payments. So if you do not have all the funds now, send us a little at a time. Some employers match contributions to schools. Your donation could be worth twice as much.
